Upton upon Severn Folk Festival

29th April – 2nd May

Crook has had a fantastic bank holiday weekend at Upton upon Severn Folk Festival. I think all that were there would agree that it was so nice to be back at the festival after 2 years away due to Covid.

We danced, played, sang and had general merriness all weekend. On Saturday night, our 'at the seaside' themed party was a great success with many wonderful and creative costumes including crabs, lobsters, mermaids, lots of different beach goes and even some waves.

We had our usual mass Indian takeaway on the Sunday night (except fish and chips for Chris, of course!). On Monday morning we performed our pace egging mummers play, which gathered quite a crowd by the end. We then followed this with a couple of dances and even joined the Bunnies from Hell for a couple of theirs!
