

Whoa !! That was good that was.

Beautiful weather - not *too* hot with a nice breeze and an excellent turn-out, and we managed to complete both halves of the programme this year. 14 dancers trying to do justice to 5 excellent musicians, which I think we managed until the final dance. Ally Park will never be the same again (hopefully !). With 14 (13 $\frac{1}{2}$!) dances and 2 sets for 9 of 'em , all 4 spares AND 2 Rapper completed I reckon we gave an appreciative audience a splendid taste of traditional entertainment. Thanks must go to Felina and Dan for working on the dance list, Dan for giving the watching crowd a potted description of each dance, and to Martyn for explaining the Rapper moves. The only thing missing was Jen's flattering photos. Well done all for making Countryfest 2023 another outstanding Crook success.
