

## 2023 WASSAIL DAY REPORT

I just wanted to say a huge thank you to everyone in our wonderful side for making the Wassailing 2023 a cracker!

I was a bit nervous about how everything would pan out, especially because Aunty Judy is a hard act to follow, and there were lots of changes this year. But my nerves were unfounded and everything ran (fairly) smoothly as always seems to magically happen in Crook!

You are all such a wonderfully talented, hard working bunch of people and I feel very privileged to know you as my friends!

Special thanks to Judy for her guidance and cake, Michelle for her support (and barmaid skills), Anne and Rique for the greenery and help with setting up, Jen for the useful pointers in managing quite a few bodies (!), Martyn for the bar and making sure the entertainment ran smoothly, everyone who contributed to an excellent range of entertainment, Dan for being a fabulous Lord of Misrule, and Uncle Chris, Aunty Judy, Tom, Eunice, Jen and Martyn for helping with the clear up etc. on the morning after.

Hope you all had as good a time as I did!
